### **Directors Responsibility for the Financial Statements**

The Directors are responsible for the preparation and fair presentation of these financial statements in the manner required by the Companies and Allied Matters Act, (CAMA) 2020, the Financial Reporting Council of Nigeria (Amendment) Act 2023 and the 2012 International Financial Reporting Standards and for such control as the Director determine are necessary to enable the preparation of financial statement that are free from material misstatement, whether due to fraud or error.

## **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with the ethical requirements, plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Directors, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidience we have obtained is sufficient and appropriate to provide basis for our audit opinion.
